

ANTHONY DAVID MARSCHAK

DESIGN / CREATIVE DIRECTION / BUSINESS DEVELOPMENT

Vallejo, California | anthony@napariverrealty.com | California DRE #02073050

I see what something could become, and know what it takes to get it there.

PROFILE

Designer, entrepreneur, and business development professional with more than 20 years of experience across furniture, materials, retail environments, branding, property services, and real estate. Founded Modern Bamboo and Original Timber, carrying ideas from material exploration and product development through creative direction, customer relationships, and sales. Brings a maker's understanding of detail together with the commercial focus to build lasting client relationships and businesses.

EXPERIENCE

Real Estate Agent | Napa River Realty

Current

- Represent buyers and sellers across Solano County and the surrounding Bay Area, guiding clients through property selection, pricing, marketing, negotiation, and transaction coordination.
- Named a Top Producer in Solano for 2022 and 2023; bring a design and materials perspective to property presentation and evaluation.

Business Development | SavATree

2023-2024

- Developed client relationships and sales opportunities for arboricultural and landscape services.
- Worked with clients and operations teams on project scopes involving plant health care, fire mitigation, and complex tree removals.

Sales & Business Development / Creative Director | Hamilton Tree Service / Ecomulch

2020-2023

- Combined business development with creative direction, branding, and marketing; built an e-commerce sales channel for Ecomulch.
- Developed opportunities involving hazardous removals, crane access, traffic control, and fire mitigation, aligning customer needs with field operations.

EXPERIENCE / CONTINUED

Business Development | BrightView

2018-2020

- Built client relationships and business opportunities for tree care and landscape services.
- Worked with service teams to assess properties, develop scopes, and prepare proposals.

Founder / Designer | Original Timber Co.

Established 2010

- Founded a design and fabrication business exploring reclaimed timber, furniture, and interior environments.
- Directed concepts, material selection, fabrication, branding, merchandising, and sales for residential, commercial, and hospitality work.
- Created a San Francisco retail and gallery environment presenting furniture, materials, art, and collaborations.

Founder / Designer | Modern Bamboo

Established 2001

- Founded a furniture and product design company centered on bamboo and its possibilities in furniture, material studies, and fabrication.
- Led product development, brand presentation, marketing, and customer relationships, building connections in the Bay Area design community.

SELECTED ENTREPRENEURIAL WORK

Founder / Concept & Creative Direction | Blades Co.

- Developed the barbershop concept, brand identity, interior, signage, and visual presentation; built and later sold the business.
